

Nathan Wenger

📍 Santa Monica, CA ✉ nedwenger@gmail.com in Nathan Wenger

Education

University of California, San Diego

Sept 2021 – Dec 2026

PhD candidate, Mathematics

- My research applies modern tools from algebraic geometry, functional analysis, and homotopy theory to number theory. My thesis (in preparation) will address foundational issues in locally compact K-theory, a recent area of mathematical research with deep links to reciprocity laws and other topics in number theory.

University of California, Berkeley

Sept 2017 – May 2021

BA in Mathematics with Honors; BA in Philosophy

- GPA: 4.0/4.0
- Highest honors in mathematics, Highest distinction in general scholarship

Santa Monica High School

Sept 2014 – May 2017

High School Diploma

Work Experience

Research Collaborator V

Remote

Meta

September 2026-Present

- Temporary position at Meta, focusing on lean formalization of various topics in arithmetic geometry.

Graduate Teaching Assistant

San Diego, CA

UC San Diego

August 2021-May 2026

- Teaching assistant (TA) for courses in abstract algebra, calculus, discrete math & graph theory, linear algebra, mathematical logic, number theory, plane geometry, and real analysis.

Undergraduate Grader

Berkeley, CA

UC Berkeley

Summer 2020

- Grader for Math H113: Honors Introduction to Abstract Algebra

Software Engineering Intern

Westwood, CA

SupertutorTV

Summer 2017 and 2018

- Full-stack web development, focusing on single-page web applications with a JavaScript everywhere paradigm.

Software Engineering Intern

Malibu, CA

Dun & Bradstreet Credibility Corporation

Summer 2016

- Wrote programs to automate employee onboarding. Emphasis on Python3 and RESTful APIs.

Leadership and Service

Math Graduate Student Council: Vice-Chair

2024-25

- Elected position; involved organizing social events, holding quarterly meetings with the graduate student body, and representing graduate student interests at the department-wide Graduate Affairs Committee meetings.

Organizer: Graduate Student Mentorship Program

2023-24

- Recruited mentors, paired them with incoming graduate students, and coordinating funding for coffee during their meetings.

Awards and Honors

James B. Ax Fellowship Fellowship awarded by UCSD Math Dept; awards \$2400 annually for 5 years

UC Berkeley Dean's List Fall 2017, Spring 2018, Fall 2018

UC Berkeley Honors to Date Fall 2017–Fall 2019
